## Inclement Weather

Cold weather is here and with it comes the chance of inclement weather. Please be reminded that as we continue to wait outside in the morning and go outside for P.E. and recess, children should wear a coat, hat and gloves. Thanks for your help in this

# Art Studio

This quarter in the art studio we completed and loaded 1,083 artworks, AND completed 2 collaborative artworks. Hope you get to check out these great works in our hallways, and on artsonia.

Not sure how to get to artsonia? Click the link to see your child's work, [artsonia.com](http://artsonia.com), and search for Springfield Elementary. You can also load the artsonia app to any mobile device. The icon is below:

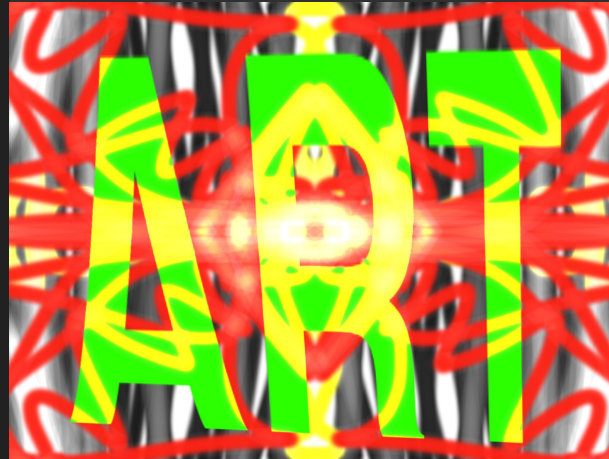

You can make comments on students artwork. Students LOVE to see what you have to say. Student work is saved in this online gallery, student scroll through past works all the time.

Violet Nuss's and Gavin Goff's digital artwork was chosen for this next quarter to add as the opening slides for lesson introductions in class. Way to go Violet and Gavin. Love this new digital work!!

Check out our collaborative artworks on the next slides and see what we have been up too.

## COLLABORATIVE ARTWORK EVER WONDER WHERE YOU FIT?

We read the book, *Where Oliver Fits*, to inspire our all school project. Oliver discovers you can't rush or force your fit, and it's best to BE YOURSELF.

Each classroom was given one letter to create. Each student within the classroom then received a piece of the letter. They had to make the puzzle piece their own. We discussed it is a wonderful thing we are all different. Each of us has strengths and skills to share. When we link our strengths together, we can be invincible. We all are an essential piece of Springfield Elementary! Look what we have built together. Come and find your piece of the puzzle, and celebrate who we are together!

Check out our **SPRINGFIELD TIGERS!!**

## K-6 LINE COLLABORATION INSTILLATION

Non objective artwork, is when an artist uses line, shape and color to create an idea in any medium. We discussed the non objective painting, *Maquillage*, 1913 by Russian painter, Natalya Goncharova. Every class looked at the painting for 30 seconds and see if they can find something other people may not notice.

Why do you see something different? We all have a different point of view, because we all have different experiences, families, and homes.

Why do you think it's important to share your point of view? Your idea could help someone be understanding to your perspective. Also putting points of view together can create one big fantastic idea.

So, that is what we did. We shared what we found in the painting, and used lines and one color to create unity in a collaborative instillation.

All students K-6 donated their line design to the sculpture board to help beautify our school, and share their perspective of lines. Check out our collaborative instillation, pictured on the right.

Springfield Platteview  
**Education**  
FOUNDATION

**MISSION**

The mission of the Springfield Platteview Education Foundation is to support students and staff by funding and enhancing educational programs within the Springfield Platteview Community School district.

**OUR FUNDRAISING PURPOSE FOR 2023-2024**

- Classroom Grants
- Auditorium Enhancements

In 2022, the SPCS Education Foundation was able to award **the largest grant in the history of the Foundation!** This grant award of **\$82,500** helped to improve the lighting and sound in our high school auditorium. The auditorium space is utilized by every student in our district K-12 for concerts, as well as other events. The Salberg Field sound system was also improved as a part of this grant.

These grants, along with other grants in the 2022-2023 school year, were only possible because of the generosity in our community.

The impact of this fundraiser greatly affects the classroom grant program. This year's auction, Hats Off to You, will be held on Nov. 18 at the Stepe Center in La Vista. There is still time to purchase your tickets.

The WATCH D.O.G.S.® program is a nationally recognized school-based, family, and community engagement organization and has been designed and developed by educators, experts, and parent & guardian volunteers over more than two decades. The program helps provide positive male role models for the students, demonstrating by their presence that education is important. It also provides extra sets of eyes and ears to enhance school security, reduce bullying and provide a greater sense of campus safety, allowing students and teachers to focus on learning and instruction.

Dads and male role models are encouraged to volunteer on our WATCH DOGS Wednesdays. It could be one day per week, month, or school year. You are welcome to sign up for a half day or a whole day at a time. If you would like more information about volunteering or have questions, please get in touch with the school office.

# Platteview High School Sporting Events

Attending sporting events at Platteview High School is a privilege. Please follow these basic guidelines as you cheer on the Trojans at future games and contests:

- ~ These are **school events**. Fundamental school rules always apply.
- ~ We ask that students in grades K-6 attend events with a parent.
- ~ Acceptable behavior is necessary. Failure to cooperate will result in losing the privilege to attend.
- ~ Congregating and loitering in hallways or common spaces is not allowed.

Thank you from Springfield Elementary
